## Des Moines TCE Site Redevelopment

Karen - This was a time that you had suggested would work for schedules. I won't be here that week but it looks like they want to meet sooner than later. Can we make this work?

OK I have confirmed that we can make it on April 26 from 10-12. It took some rearranging but it will work. I assume we will meet at IDNR office. Please confirm when you can. Thanks.

I will be bringing Ed Chu, Acting RA and David Hoefer from Office of Regional Counsel. If that changes, I will let you know.

Hi Mary,

This is good news to hear. Ed mentioned this while he was here but I wasn't sure if he'd remember. The 25th won't work for us here. I'll be in Cleveland for ASTWMO that week and Bill and Chuck are attending an all day strategic planning event. They could meet on the 26th from 10-noon and I could ask Amie to sit in for me. Otherwise, we could look into May for open dates too when I am back. Thanks.

Hi Alex,

I would like to schedule a meeting with my senior management and yours to discuss the subject site and potential redevelopment. For the past several years I have worked with Rita Connor with the city of Des Moines so I am well aware of the city's urban renewal efforts in the vicinity of the site. EPA is seeking ways to advance the ball on this and we would like to coordinate with IDNR. I believe your senior managers mentioned this to Ed Chu (our Acting RA) in recent weeks.

Ed and I can drive to Des Moines on April 25 to meet. Please let me know if this date works for you, Bill, and Chuck. As a backup, we could do April 24 but the 25th is our preference if you can make it work on your end.

Thanks – I really look forward to meeting with you on this.
